Feature Photos: Year 13 Futures –

In their futures time slot our future leaders learn a variety of useful information and skills that will prepare them for life outside of education.

They have enrolled to vote, given service back to St Mary's after the recent cyclone, and had extensive practice on how to fill in applications.

However, this week they had a special, more personal treat. Ex St Mary's students, Annalee Muggeridge, and Savarna Wilton came to teach the Y13 girls the how to's and how not to's with skin care and make up.
